

Dear Fasa,

Your Steel & Tube account (2022501) gives you access to all Steel & Tube departments – Roofing, Purlins, Reinforcing, Fixings, Stainless Steel, Plate, Fencing, Etc. The below information is how to make it easier to 'make it happen'.

Here is some information so you can make your first order:

1. Order: Send your order to customer services sales@steelandtube.co.nz
 - a. Customer services will key your order and you'll receive an order confirmation usually within 24 hours. "Upon placing your first order with us, we will send through an order confirmation document, please read over this carefully. Please let our team know if you have any specific delivery instructions or challenges ie: tight access, trees, or low powerlines".
 - b. Customer services are responsible for keying orders, taking your phone call 0800427663, amending orders, delivery ETA and offering small quotations.
 - c. Office hours 7:00am – 4:30pm
2. Sales Team:
 - a. Price books reflect your day-to-day purchases
 - i. Volume project pricing starts at 2000lm+, please contact your Account Manager. Ensure your quote / price is attached to your order so the correct amount is invoiced to you.
 - b. Webshop training for online orders
 - c. Coil forecasting – please send a purchase order if you require a coil outside of our 'standard' residential 940 coil range; non-standard colours / spec can potentially take up to 2-4+ weeks to procure and manufacture. 'Standard' range are the residential profiles available in Ebony, Flaxpod, Ironsand, Thunder Grey, Grey Friars, Sandstone Grey, Titania and Gull Grey.
 - d. Price book generation
 - e. COLORSTEEL Colours – [Click Here](#)
 - f. S&T Profiles – [Click Here](#)
 - g. Team members
 - i. Auckland - Louise Bowden – louise.bowden@steelandtube.co.nz - 021546523
 - ii. Auckland - Steven Zhang – steven.zhang@steelandtube.co.nz – 0272179629
 - iii. Auckland - John Bannon – john.bannon@steelandtube.co.nz – 0275551901
3. Manufacturing:
 - a. We can offer S&T profiles, flashings and customised flashings
 - b. Currently 3-5 day residential turnaround, 10 days for commercial
 - c. MOQ: 12m for standard profiles and 18m for Commercial profiles
 - d. Collection from 30 Business Parade North, Highbrook:
 - i. 0730 to 2.30pm Mon – Fri
4. Delivery:
 - a. Please nominate on your order any site specific requirements; drop off location, powerlines, narrow / steep driveway or any item that may create delivery issues to your site.
 - b. Truck capabilities –

Note: Category #1 check the site access as the truck & trailer might not be able to enter the site due to the length of both vehicle & load.					
Note: any loads over Category #1 will require pilots and possibly a permit depending on the dimensions of the load. Refer to NZTA Over Dimensional Loads https://www.nzta.govt.nz/assets/resources/factsheets/53/docs/53-overdimension.pdf					
Note: Category #1 loads have travel time restriction – Not to travel between the hours of 7am – 9am & 4pm – 6pm in all cities.					
Note: Load integrity to be considered while using Cat 1 requirements					

- c. Delivery pricing on standard trucks \$110 to ground and \$165 hi-ab to roof (pricing subject to change)
- d. Loads that are outside of the standard truck capabilities will require a 'buy-in' truck at an additional cost – please confirm truck requirements prior to placing order.
